Satisfaction Guaranteed

Boone Industries is committed to customer satisfaction and works hard to insure that each buyer enjoys and shows with pride their product(s) purchased. Personal service is a trademark of Boone Industries and whether customers call or email, they will be given the individual attention needed to insure customer satisfaction.

Personalization

Customers may personalize an item by having their logo silk screened, laser engraved, or inset a medallion into the front of the headrest. To make your item even more of a lasting memory, have an engraved brass nameplate made to solidify the accomplishment on the back of the headrest. Boone Industries' products, come in four stains; cherry, maple, walnut and black. One can choose to select a solid color for your heirloom or design your piece with a combination of stains for the arms and headrest.

Production Time

Production time is usually four to six weeks – that is from the time the order is received till shipping. However, Boone Industries knows that some orders require a shorter time frame and encourages customers to contact the company with their request. The Company will do its best to accommodate time sensitive orders.

Packaging and Shipping

Boone Industries packaging is custom designed so that each product shipped is able to withstand the normal rigors of transportation. Our bubble bags and interior packaging help insure that each product is delivered properly. Our process exceeds the requirements of all carriers. Customers, when unpacking, will appreciate the ease of removal and the personal attention given to each purchase. Making sure the product is delivered to you undamaged is just as important to the Company as the high quality you expect in the product itself. Even with the care given, it is recommended that you inspect the box on arrival to protect your investment. International shipping is easily handled.

Samples and Ordering

To see samples of Boone Industries' products and to place an order, please call 828.264.7913 or go to www.booneindustries.com. To request a brochure, send an email to info@booneindustries.com. Boone Industries is a company that likes to talk to its customers and encourages you to call. When you do call, you will not get a "computer menu" of options; you will talk directly to a manager who will answer any requests or questions you might have and make sure your order is recorded correctly.

A History of the Company

Boone Industries, Inc. is located in the beautiful Blue Ridge Mountains of western North Carolina, and has been in business since 1973. A small company with a strong work ethic, Boone Industries has been building high quality recognition furniture for 35 years and its products have been bought by universities, colleges, corporations, governmental agencies, hospitals, and chambers of commerce as a gift for those very special individuals whose work, philanthropy, and commitment to an organization serves as a model for others. Today, thousands of people across the country enjoy the furniture made by the craftspeople at Boone Industries who are dedicated to their work and upholding the great tradition that makes North Carolina furniture the finest in the nation. The company's commitment to quality is as strong today as it was 35 years ago and you can be sure that each item of furniture shipped has received the careful attention it deserves to insure the product meets the standards of the company and will be a treasured item by the person receiving it. Building high quality recognition furniture and providing exemplary customer service are our goals; we work hard to make sure we consistently accomplish both.
